**Grand Ledge High School**

Grand Ledge epitomizes what the definition of Community and models it time and time again for the rest of the state. On behalf of our entire football program and the Grand Ledge Booster Club, we want to take the time to thank you for your support our student athletes.

Our Grand Ledge Football Program continues to thrive because of people like you. Individuals and businesses, that help to maintain our teams with your generous financial contributions and community backing. Your support provides our participants with top rated safety equipment and uniforms, as well as to offer yearlong training programs for our players that focus on academics as well as athletics. These donations have allowed our teams to finish in the top ten in the state with our GPA eight years running. In addition it assists us in providing excellent athletic trainers and additional coaching staff for the teams. Your generosity allows the Grand Ledge Athletic Department the finances to fund other programs that in the past would not have been funded. Over 60% of our students participate in some sort of extra curricular activity; this participation drives home the sense of belonging that reproduces future community leaders. Grand Ledge Public Schools could not do this without community support. Enclosed with this letter you will find six different fundraising opportunities. There are options to donate to all or some of our events, but our goal is to only approach you once and provide you with as much information as to respect the most precious gift, which is time. If you have any questions please do not hesitate to contact us; our contact information is provided on the enclosure.

Grand Ledge's long-standing reputation of excellence and tradition could not survive without our dedicated patrons. We appreciate your generosity and devotion to the entire Grand Ledge Community. Thank you for your continued support!

*"You don't just play the team, you play the town!"*

We Are Grand Ledge!!!

Thank you and Go Comets,

Matt Bird

The Grand Ledge Football Boosters is the organization that supports the GL football program. It exists, first and foremost, to strive to make the football program a rewarding experience for the players. It is the Boosters Club's goal to be a visible club that is involved in the community and actively helping to sustain and raise the GL football program to the elite status that Coach Bird desires it to be.

The Grand Ledge football program operates year round and depends on the Football Boosters for financial and volunteer support. There are many opportunities to volunteer and support the program, including the Summer Golf Outing, working in concessions, game day parking, team dinners, and fundraisers, among others (see next page). Some choose to be behind the scenes and support the program with donations or through corporate support. We welcome any and all philanthropy!
