An aerial, high-angle photograph of a football field at night. The field is illuminated by bright stadium lights, creating a high-contrast scene. The yard lines and end zones are clearly visible. The end zone on the right is labeled "GRAND LEDGE". The end zone on the left is labeled "GRAND LEDGE" in reverse. In the center of the field, there is a large logo that appears to be "GL". A scoreboard is visible on the right side of the field, showing a grid of numbers. The overall atmosphere is that of a professional or semi-professional sports venue.

Grand Ledge Football Boosters

(www.grandlegefootball.com)

Welcome to another year of GL Football. Being part of the football program and the Football Boosters Club is a great way to stay connected and get to know other parents and families. The Grand Ledge Football Boosters Club is the 501(c)(3) organization that supports the GL Football program. It exists, first and foremost, to strive to make the football program a rewarding experience for the players. It is the Boosters Club's goal to be a visible club that is involved in the community and actively helping to sustain and raise the GL Football program to the elite status that Coach Bird desires it to be.

The Grand Ledge Football program operates year round and depends on the Football Boosters for financial and volunteer support. There are many opportunities to volunteer and support the program, including the summer golf outing, working in concessions, game day parking, team dinners, and fundraisers, among others (see next page). Some choose to be behind the scenes and support the program with donations or through corporate support. Your volunteer hours and support are essential to the overall success of the football program.

The Boosters Club meetings are typically held the first Wednesday of the month in Coach Bird's Classroom (Room 104) at the high school. Meetings are open to everyone.

Future Meeting Dates (7:00 pm unless noted otherwise):

- May 9th
- June 6th
- July 11th (2nd Wednesday to accommodate 1st Dead Week and holiday)
- Aug 8th (2nd Wednesday to accommodate 2nd Dead Week)
- Sept 5th
- Oct 3rd
- Nov 7th

Grand Ledge Football Booster Club Committees 2018 Volunteer Opportunities

The information below summarizes the primary activities supported by the Football Booster Club and the areas where volunteers are currently needed. Several of these committees comprise the fundraising activities for the high school football program. Without significant volunteer support and participation, the program cannot operate. The Football Boosters Club expects parent representation from each of the three teams for each of the committees. This will facilitate adequate support for the activity and continuity from year to year. **No prior experience is required nor expected for any of the roles.**

Note: In addition to the committee opportunities described below, there is significant parental participation needed to support these events and other activities throughout the year. The team reps will solicit parent volunteers as the season approaches; volunteers are needed to: work at the games (50/50, parking, concessions), set up for team banquet, etc. More information will be provided at the 100 Days Away meeting in the spring, and as the year progresses.
